Updation of websites of Airports

* 174. SHRI MAHENDRA MOHAN: Will the Minister of CI VIL AVIATION be pleased to state:

whether it is a fact that official websites of the Indian Airports are way behind their international counterparts;

whether it is also a fact that these sites offer no information on flight status, facilities at airports or tourist guide to their cities;

whether Government is aware that it has been around eighteen months since the GMR-led consortium, Delhi International Airport Ltd. (DIAL), was awarded the contract for the modernization of Delhi Airport; and

if so, whether Government would like to fix the responsibilities and up-date the websites too?
